Kathy Johnson

GOALS

- **Adoption of Complete Streets Policy**
 1. **Policy adopted by City Council in June 2015**

GOALS

- **Create standards, in cooperation with Horry County Planning liaison, for walking trails including width, lighting, and wayfinding signage.**
- **The Market Common district can be used as model throughout the city/county and would be recognized by the E911 emergency system**

GOALS

- **Designation by Federal Highway Administration as Walk Friendly Community by 2020**
 1. **Initial application submitted**
 2. **Received input from FHA on areas for improvement**

GOALS

- **Designation by the League of American Cyclists as a Bicycle Friendly Community by 2020**
 1. **Safety study and complete streets policy needed before submittals**

GOALS

- **Create a marketing campaign that educates and promotes walking and bicycling use, safety, and laws**
 1. **Public Service Announcements**
 2. **J1 International Students**
 3. **Water bill inserts**
 4. **Bicycling and walking maps**

GOALS

- **Develop Capital Improvement Budget**

1. **Mapping and Signage**

GOALS

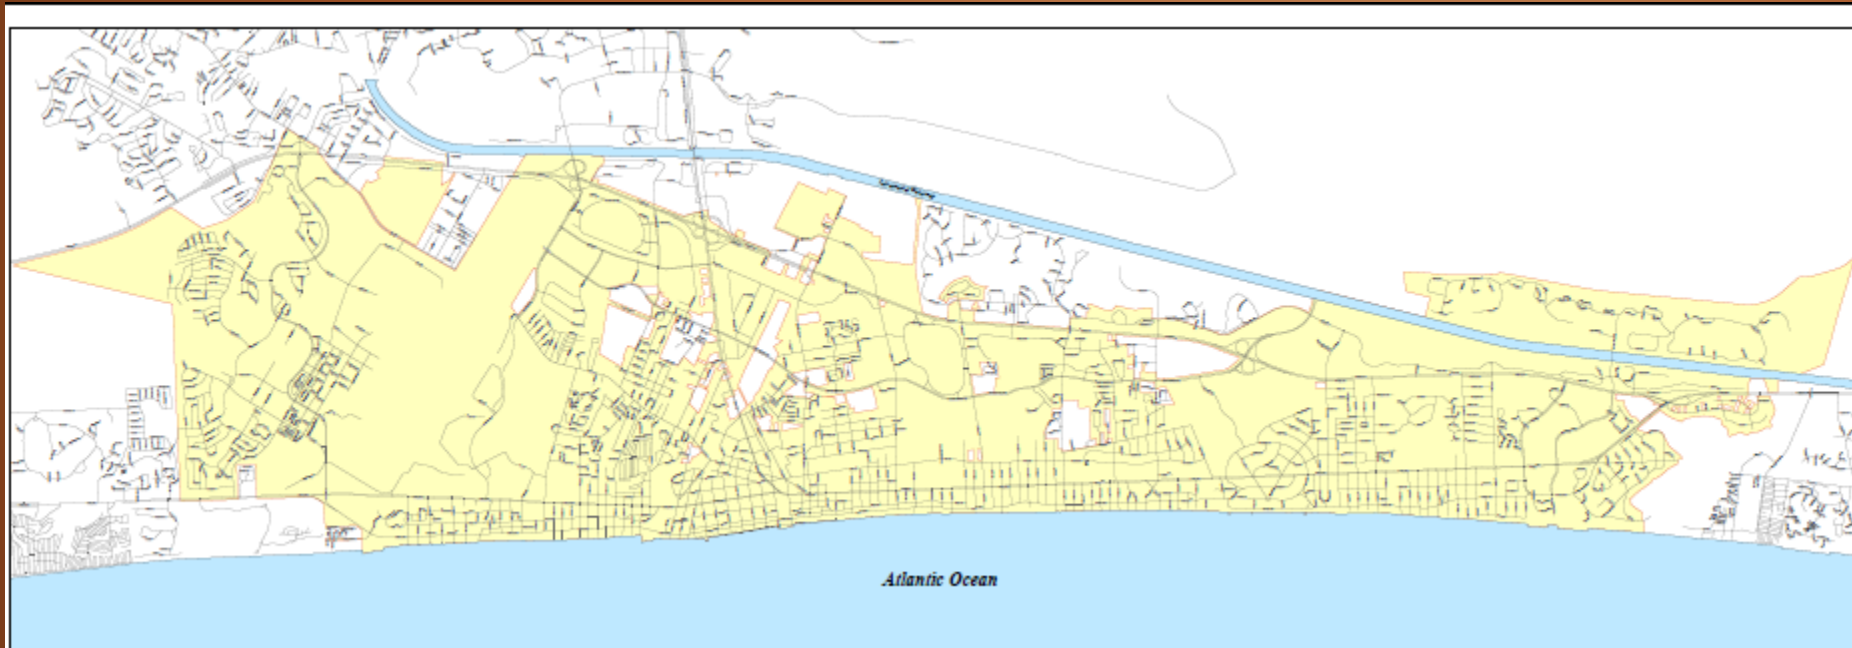

- **Create a list of the most critical infrastructure needs based on safety, convenience and health benefits**
- **Conduct a comprehensive city-wide safety review of high volume intersections and associated pedestrian and bicycle signage and messaging**

GOALS

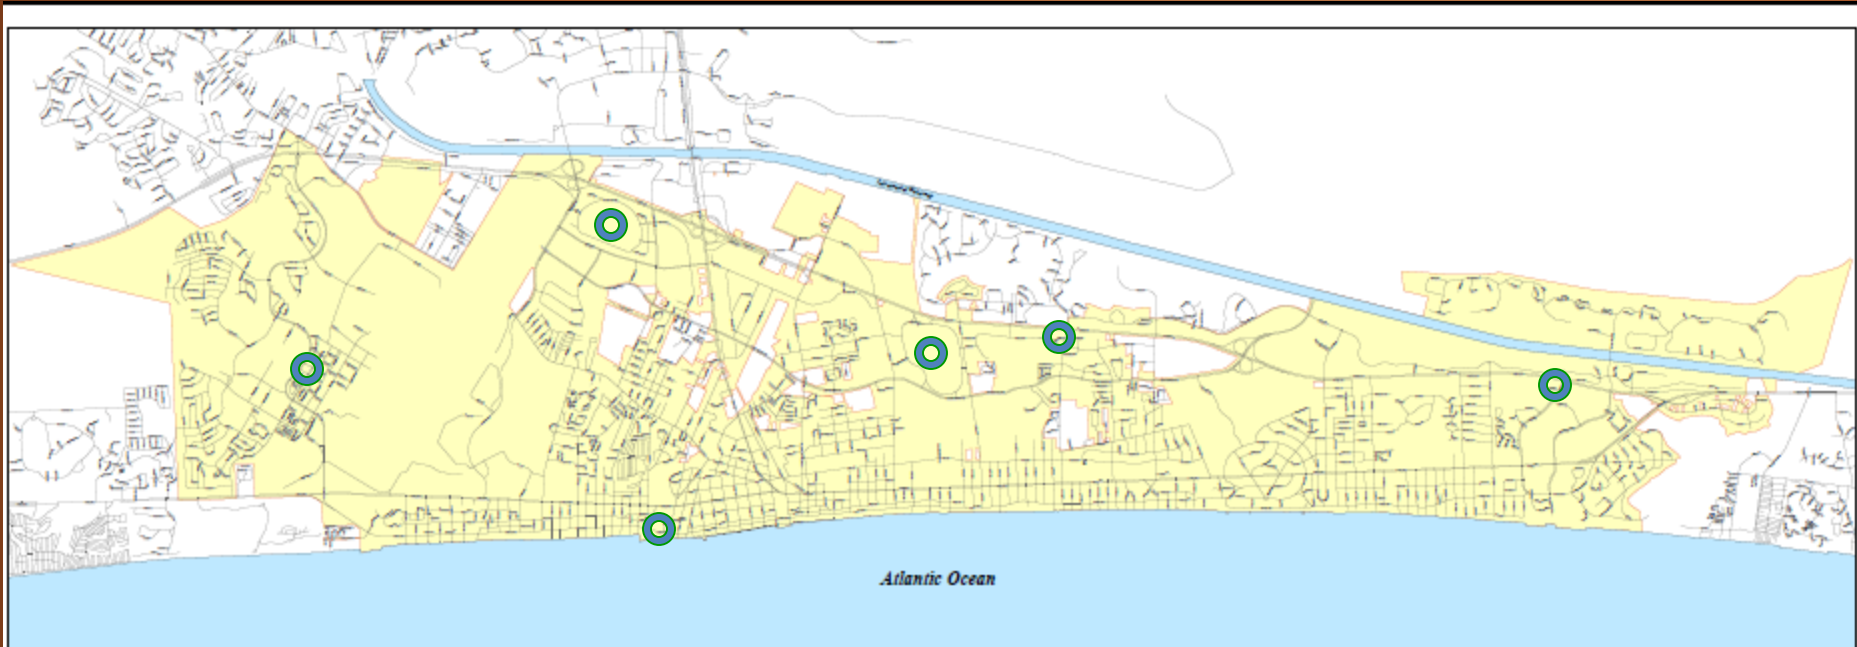

- **Promote walking, running, and bicycling infrastructure as part of the sports tourism efforts**
- **Plan and coordinate bicycle and pedestrian events that further the goals and objectives of this committee**

❑ Establish a series of iconic loop routes around the city, connecting commercial centers to visitor, worker, residential locations to improve safety and connectivity

A 26.5 mile multi-use path to support training and recreation for bicyclists, pedestrians, and runners

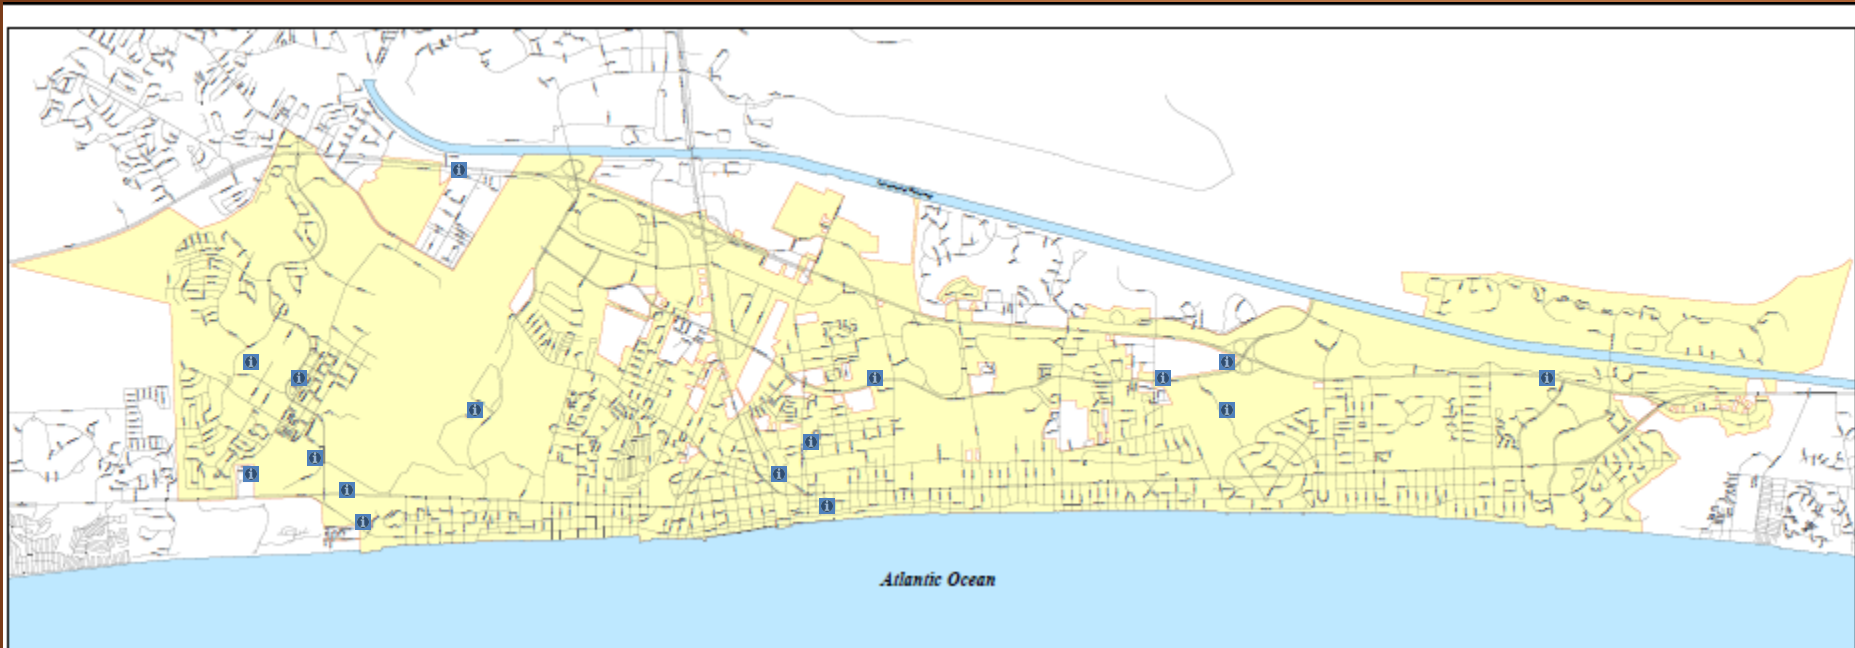

- ❑ Ocean Boulevard and Downtown
