

**WACCAMAW NECK BIKEWAY**

**Rules of the Road**

- The Waccamaw Neck Bikeway is for walking, jogging, bicycling and rollerblading.
- If a two-way bike path is available off the street on the right or left side, use it.
  - **BIKE WITH / WALK AGAINST!**
- Bicyclists always ride with traffic, on the right side of the street or path.
- Pedestrians/joggers walk or run against traffic, on the left side of the street or path.
  - Ride single-file.
- To minimize the effects of head injury, wear a light-weight bicycle helmet.
- Side reflectors on wheels are required: amber/colorless on front and red on rear.
- Keep your eyes ahead and head up.
- Share the Road: These black & white & reflective yellow signs advise motorists that bicyclists are using the roads. Bicyclists have the same rights and are regulated by the same rules as motorists.
  - Path users should always stop before entering or crossing traffic. Cars and trucks have the right-of-way at intersections and driveways.
- It is a violation of county ordinance to park or drive on the bike path (fine, \$70).
- No golf carts or other motorized vehicles are allowed, except wheelchairs.
