**Potential HOME Applicants:**

The Waccamaw HOME Consortium (WHC) is pleased to announce the availability of 2016 HOME funding. WHC anticipates receiving approximately \$850,000 in HOME funds as a part of the U.S. Department of Housing and Urban Development HOME program (Home Investment Partnership Act of 1992). In planning the 2016-2017 program year budget, the Consortium will be seeking applications from non-profits, for-profits, local governments and Community Housing Development Organizations (CHDOs).

Funding may be used for rental rehabilitation, new construction of homeowner and rental housing units, and tenant based rental assistance programs. Grants and low interest loans will be available for eligible projects. Applications may be obtained on the Waccamaw Regional Council of Government's website [www.wrcog.org](http://www.wrcog.org) or by contacting Courtney Kain.

All applications are due February 23, 2016 by 5:00pm in our office. Applications received after the due date will not be eligible for funding. Applicants may also schedule a technical assistance meeting on February 16, at the Waccamaw Regional Council of Governments' office located at 1230 Highmarket Street, Georgetown, SC 29440.
