## WACCAMAW AREA AGENCY ON AGING

As individuals age, changes take place that affect both the mind and body. Tasks once easily completed may become increasingly difficult and require assistance. Family members may find themselves placed in a caregiving role.

As the dedicated **Area Agency on Aging (AAA)**, Waccamaw Regional Council of Governments exists to provide services and resources to seniors and their caregivers in the Waccamaw Region. The AAA offers the support many senior residents need to continue living comfortable, high-quality lives in their own homes for as long as possible.

WRCOG also serves as the **Aging and Disability Resource Center (ADRC)** for the region. The ADRC works to improve awareness of and access to resources and services for seniors, adults with disabilities and caregivers.

### Services include:

- The **Family Caregiver Assistance** program, which provides support, information, education and small grants to family caregivers.
- The **Insurance Counseling and Referral for Elders (ICARE)** program, which provides health insurance counseling for those participating in Medicare, assists with Medicare Part D prescription drug coverage and Medicaid Savings Programs, and helps with coordination of benefits and general insurance information.
- The **Information, Referral and Assistance (IR&A)** program, which creates connections between community services and those in need of assistance, provides outreach and advocacy and helps guide clients through the aging process.
- The **Long-Term Care Ombudsman** program seeks to improve the quality of life and care of those residing in nursing homes and assisted living facilities by educating facility staff and community members, investigating complaints, visiting facilities and monitoring conditions.
- The agency works with providers to deliver services such as congregate dining programs, home-delivered meal programs, transportation and homemaking programs. Our providers are:
  - Georgetown County Bureau of Aging Services
  - Horry County Council on Aging
  - Vital Aging of Williamsburg County

Part of a larger, nationwide network dedicated to improving the lives of senior citizens and disabled individuals, this arm of Waccamaw Regional offers a range of services to assist seniors, persons with

disabilities and their families as they navigate ever-changing programming and service options, and effectively coordinate resources that allow clients to be engaged in their communities and live the highest quality of life possible.

## HOSPICE PROVIDERS

Hospice services are provided to individuals living with a life-threatening illness and focuses on comfort and support rather than the cure of the illness. Hospice services include nursing and home health aide visits, necessary medical equipment and medications related to the life threatening illness. Hospice nurses, home health aides, social workers, clergy and trained volunteers work as a team under the direction of the patient’s physician to provide physical, spiritual, and emotional support. Hospice may be provided in a patient’s home, assisted living facilities and nursing homes. Anyone - friends, family, clergy, as well as the patient’s physician may refer an individual to hospice care. Hospice services are reimbursed by most insurance including Medicare and medicaid. Most hospice agencies accept individuals regardless of their ability to pay for services.

## LONG TERM CARE INSURANCE

Long-term care insurance is a form of insurance coverage designed specifically to pay for long-term care services. It is not a substitute for either Medicare or Medicare supplemental insurance. Instead, long-term care insurance covers services they do not. Depending on the design of the plan chosen, the benefits in a policy can be used to pay for care at home, in an assisted living facility, or in a nursing home.

## SCAMS / FRAUD

Every day senior citizens in South Carolina fall prey to unscrupulous individuals who seek to defraud and scam the elderly. Consumer fraud is defined as any deception, pretense, false statement, false promise or misrepresentation made by a seller or advertiser of merchandise. If you answer the phone and it sounds too good to be true, just hang up. If a stranger appears on your doorstep, do not open the door. If someone pretends to be a relative that is in trouble, simply hang up and check with your relative first. You can protect yourself and others by reporting suspicious activities involving scams and frauds.
