The Responsible Entity may choose to allow a longer comment period. 24 CFR Part 58 requires, at Section 58.46, "Time delays for exceptional circumstances," a 30-day comment period for controversial or unique projects or those similar to projects normally requiring preparation of an Environmental Impact Statement. Following completion of the comment period, recipients must send the complete Environmental Review and the Request for Release of Funds and Certification to SC Department of Commerce/Grants Administration Division together with a copy of the public notice and a cover letter stating whether comments were received and, if so, how the recipient responded to the comments. If the request is sent by e-mail, the original signed form should be mailed to the SC Department of Commerce/Grants Administration Division. The date of receipt by e-mail will be counted as the submission date. However, the SC Department of Commerce/Grants Administration Division will not issue the Removal of Environmental Conditions until after the original signed form is received.
