

## **NOTICE FOR PUBLIC COMMENT**

Waccamaw Regional Council of Governments (WRCOG) will consider the update of the Rural Public Participation Plan (PPP). The Rural PPP is intended to provide direction for public participation activities to be conducted by the WRCOG Rural Planning Organization (RPO) and contains the vision, goals, objectives, and techniques used by WRCOG for public participation. WRCOG has been designated by SCDOT to serve as the RPO for the three-county region.

The Waccamaw Regional Council of Governments' RPO policy is to support and encourage public participation and to adhere to the principles of Environmental Justice in the rural planning process. The RPO's public participation policy is designed to ensure opportunities for the public to express its views on transportation issues and to become active participants in the decision-making process.

The draft Rural PPP is available at Waccamaw Regional Council of Governments' office (1230 Highmarket St Georgetown, SC 29440), and on the WRCOG website at [www.wrcog.org](http://www.wrcog.org).

All written comments received before Friday, September 6, 2019 will be considered. Please send comments to:
