

# PUBLIC MEETING NOTICE

## SOUTH CAROLINA OFFICE OF RESILIENCE Williamsburg and Georgetown Hydrologic and Hydraulic Study

### PUBLIC INPUT MEETING

McCormick Taylor and the South Carolina Office of Resilience are working with Williamsburg and Georgetown Counties to identify and propose alternatives to mitigate drainage and flooding problems.

Please join us for this public workshop to share your knowledge and experiences with flooding and drainage issues locally.

**Date:** February 16, 2023

**Time:** 5:30 pm – 7:30 pm. A brief presentation will be held at 6 pm

**Place:** Hemingway Town Hall, 110 S Main St, Hemingway, SC 29554

**Who should attend:** Anyone with knowledge of or have experienced flooding or drainage problems, as well as anyone interested in learning more about this study and the Office of Resilience.

If you can't attend and would like to provide input, please call or email:

Hassan Ismail, Project Manager  
(803) 251-9845    [hismail@mccormicktaylor.com](mailto:hismail@mccormicktaylor.com)
